

LOVE IS THE BASIS OF CHRISTIAN JOY

What gives joy? The beauties of nature, surely. And children. How Jesus rejoiced when little children climbed onto his lap! And what joy He felt when he healed people.

The deepest source of Jesus' joy, however, was his loving relationship with His heavenly Father. Jesus tells us that wherever He might go, whatever He might do, he remains in His Father's loving embrace.

Jesus wants us to have this joy, too. He tells us this in today's Gospel: *I have told you this that my joy may be in you and your joy might be complete.* And he adds: *Remain in my love.* How? Jesus explains at once: *If you keep my commandments, you will remain in my love.*

What is the commandment above all that Jesus is talking about? He tells us: *Love one another as I love you.* Jesus goes on to explain the kind of love he is talking about: not just a warm feeling, but an active being. A costly love which gives and goes on giving. *No one has greater love than this, to lay down one's life for one's friends.* That is what Jesus did for us. That is what he asks us to do for one another.

In the First Letter of John, we hear this same message. Let us love one another, John says, because love is of God; everyone who loves is begotten by God and knows God. And God revealed this love to us through the complete offering of himself, in the form of his Son, so that we would come to know God, love God and have life in God. Who wouldn't find joy in experiencing that kind of life-giving love?

Saying that love is the basis of Christian joy does not mean that love is easy. Loving others is difficult at times. Not in the sense of how we feel, and whether we "like" them, but because of the selflessness and sacrifice it demands of us. And yet, it is precisely these demands that give love its joy: for the more we give of ourselves in love, the more room we make in ourselves for God who is nothing but love.

To love is to completely will the good of another; to desire nothing other than another's flourishing and growth in virtue. Let us pray for the grace to do and be as God asks of us; and may the Eucharist, the tangible presence of God's unending love for us, transform us with that grace.
